# BEERS, WINE, SPIRITS & SOFTS

---

Our spirits & other drinks selection is a small but a carefully curated selection. We've searched for links to whisky distilleries, or to Scotland, chosen local producers, supported cottage industry, as well as independents, all the while making sure they are complementary to what we do best: whisky!

## BEERS

We are constantly refreshing our beer menu to keep up with demand. Therefore some of the below selection might not be or other beers may be available. Please ask!

Tiny Rebel - Newport, Wales - Cali / American Pale Ale	5.6%	£5.40
